Mark's Minute . . .

Hope Changes Everything is the vision statement we adopted as a church last year. When people don't have hope, they are hopeless. We want people to have the kind of hope that God wants to bring to their lives. That hope is found in Jesus Christ. Matthew quotes Isaiah in his Gospel account of Jesus saying "In his name the nations will put their hope." Hebrews 6:19 tells us that the hope we have in Jesus is an "Anchor for the soul, firm and secure....". Like a ship's anchor holding it firmly in place, Jesus is there to confirm our hope in God.

We want to be a church that spreads the hope of Jesus to the world. To do that, it requires us to talk about hope and demonstrate that same hope in our efforts. When we announced our new Vision Statement, we told you that we planned to have several church-wide HopeFull Projects where we go out, in the name of Jesus, to the community and do a project or perform a service that would engage Bristol. We also want small groups to come up with HopeFull Projects they can perform to show the hope of Jesus. Each of us can also do acts of kindness or perform a small service as we go about our lives that helps people come to know the hope and love of Jesus.

Our next HopeFull Project will take place on April 27, at 8:30am. We are currently in the process of finalizing our service projects for that day and will let you know more details as they become known. We want our entire church to participate in this project together so be sure to mark your calendars. This can make a dramatic impact on our community as we seek to show people that **Hope Changes Everything**.

You don't have to wait until then to show the hope of Jesus. Look around and see the needs of people you come in contact with every day. As I said in my Sunday message a few weeks ago, it may be as simple as putting flowers in an empty vase. While you're at it, grab a handful of CCC invitation cards at the Welcome Center and pass them out to folks along the way. Statistics continually show that many people would come to church if someone would invite them.

Please don't forget our theme this year to ENGAGE Bristol. See what creative ways you can come up with to do just that. Share your hopeful stories with us on our church app. We would love to hear from you. Please pray that we can be more effective in getting our vision of **Hope Changes Everything** out to the community.

Love, Grace, & Peace,

Pastor Mark

Kris' Corner

Just like that, Easter 2024 has come and gone. We had such a fantastic celebration this year. Many thanks go out to those who participated in Central's Easter Eggsperience on March 30. Several of you donated candy, others helped stuff eggs with candy, and some of you gave of your time on the day of the event! One of you was even willing to get inside a yellow Peeps outfit on a semi-warm day for a photo op with the kids (and maybe a few adults too)! See Page 8 for a photo collage!

On Easter Sunday, both services went extremely well outside of a few, minor technical difficulties. Our Easter Choir sang in both services and did a wonderful job. Thanks for all your hard work in learning a tough song! We also had other powerful music selections in both services. Our musicians and tech team put in loads of hard work to make Easter happen! There's a lot that goes into each Sunday service, but Easter is a brand new ballgame. You guys knocked it out of the park!

Our Easter Choir will take a few weeks off before resuming rehearsals on Wednesday, April 24. We will practice for a few weeks before singing in both services on Mother's Day on May 12. If you're interested in singing with us, feel free to join our rehearsals which begin at 6:30pm in the sanctuary.

Thanks again for making Easter such a smashing success!

Until next time,
Kris

MISSIONS CORNER

Haiti continues to be a leaderless country with a weak government and run mostly by gangs, especially in the Port Au Prince area. Kidnappings, shootings, and extortion have increased, making it impossible to safely travel. In Saint Louis Du Nord, where our School and Church are located, the conditions are not quite as bad. However, the existence of gangs, food shortages, and extremely high cost of goods makes for a volatile situation where possible outbreaks of violence always loom. Job and his family were attacked a couple of years ago.

Job is in the States getting his family settled and raising funds for HACCM. Because of the dangers and threats received a couple of years ago, it was necessary to have Genie and the boys leave Haiti and apply for asylum in the United States. This has been a long and stressful ordeal. Both J.J. and Bervey are doing very well in school and Juvey intends to graduate from college in the next few months. Genie was able to obtain employment after many months of waiting for authorization to do so.

Concerning HACCM and the Primitive Christian Church and the Primitive Christian Academy in Saint Louis Du Nord, last June we had our first graduating class, and in September we established our first pre-school class. On December 25, we celebrated our 18th year in existence which included a community-wide lunch that is always a festive time. We currently have 228 children enrolled in the school and an average weekly Church attendance of 300+. The Church takes a weekly offering that helps defray the costs of running the Church and is used to assist families in the community. Attendance at the Trade School is down due to the exorbitant increase in the cost of living. Immediate needs for 2024 are more monthly supporters, funds for folding chairs, and funds to assist with tuition for those that want to attend the Trade School. We also have weather events every year where we provide support for the community.

## Retreat Room

Our Retreat Room is now fully operational for families! Whether it's changing a diaper, nursing, or taking care of your child, this room is for you! Located just behind the Welcome Center, it has a private bathroom and livestream of the service so you can still participate in worship. Thanks to all who made this project possible!
