Scott's Thoughts

"Then the master told his servant, 'Go out to the roads and country lanes and make them come in, so that my house will be full.'" - Luke 14:23 (NIV)

I hope that you have been enjoying the One service as much as I have! It really has been great to see the whole church worshipping together in a wide variety of ways. One thing I've really noticed is how different parts of the service affect different people. A certain song, video, skit, or sermon topic will speak directly to someone right where they need it. That's got to be God working in the person's heart and in the worship!

During this time I've really felt a strong sense of unity among the people as we worship and fellowship together. I have particularly enjoyed the times where the youth and the seniors have been able to spend time with each other at the Flock of Ages picnics, the church picnic, and the Lakeside Hillside. It's a lot of fun when "the two youth groups" get together!

September marks five years that my family has been a part of Central. For me, I feel like our church is beginning a new chapter... one where we move forward and be the church that God has called us to be. One of the ways we can do that is by inviting people. "Operation Overflow" will be on "National Back to Church Sunday" September 12th. We are making the day special by asking people to sponsor a row in our church with the responsibility of filling them up. You have probably seen the display out in the foyer... now let's each step up and commit to filling the House of the Lord on that day!

Afterward they'll head over to Sweets N Eats for some ice cream! Cost = \$8 studio fee + cost of ceramic you choose (varies) + ice cream. Meet at church at 3PM and carpool over to Kil'n Time.
